Unable to attend a live SETT training?
Want to move at your own pace?
Have a busy health office, but you still want to learn evidence-based best practices for emergency mass casualty events?

You’re in luck, because NASN has the option for you!
SETT is now available **ONLINE** and **LIVE**!
Learn more about both options at: [https://www.nasn.org/sett](https://www.nasn.org/sett)

Bring this Live interactive and fun emergency triage training program to your school or district and you won’t be disappointed.
Our SETT presenters are trained to share this program around the world.

**OR**

Take SETT online, if you would like to individually work on this self-paced learning course.

**Live or online, NASN’s got you covered!**
